Thank you for taking the time to complete HSBC's Online Application. Our application is divided into several sections that can be completed separately. All applicants to HSBC are required to go through a criminal, credit, & previous employment Background Check. You will be taken to our application upon the agreement to the following disclosures. Thank you again for your interest in HSBC!

Acknowledgement, Informed Consent and Release of Liability

"I certify that the facts contained in this application are true and complete. I understand that any false statement, omission or misrepresentation on this application is sufficient cause for refusal to hire, or dismissal if I have been employed. I authorize HSBC, Inc. and subsidiaries (the Company) to conduct a thorough investigation of my references and background, including a criminal background check. I release the Company, my former employers, my current and former education institutions and all references listed above from any and all claims, demands or liabilities arising out of or related to such investigation. I understand that employment is conditioned upon successful completion of the background investigation and my ability to verify my legal right to work in the United States and to be bonded. I also understand that employment may be terminated by me or by the Company at will, which means for any reason or no reason at all. I understand that according to the policy of the Company, a copy of which I have received, I will be required to submit a sample of my urine for chemical analysis if I accept an offer of regular employment. The purpose of this analysis is to determine or rule out the presence of prohibited controlled substances in my urine. I have had an opportunity to consider the testing request and this form and consent freely and voluntarily to this request for a urine specimen. I hereby release the Company, the testing laboratory and their employees, agents and contractors from any liability whatsoever arising from the testing of the urine sample and decisions made concerning my application for employment based upon the results of this analysis. Upon failure or refusal to submit to testing, I may not reapply for employment at the Company for 12 months. Results of testing will be kept confidential by the Company and the laboratory, although I have access to them. If necessary, I consent to have my drug test results released to a company-designated medical doctor for further evaluation."

Authorization to Conduct a Criminal Background Investigation

Section 19 of the Federal Deposit Insurance Act provides that "except by prior written consent of the FDIC, any person who has been convicted of any criminal offense involving dishonesty or breach of trust may not participate, directly or indirectly, in any manner in the conduct of the affairs of any insured depository institution; and an insured depository institution may not permit such participation."

RELEASE

I do hereby authorize HSBC (hereafter referred to as the Company) to obtain my fingerprints for the purpose of conducting a criminal background investigation, provided that this information is used solely for the purpose of determining my eligibility for employment. I understand that this is MANDATORY and a condition of my employment with the Company. I also agree to supply all of the additional information requested in this release and to provide all information requested on the Fingerprint Card, which is necessary to complete this investigation. I fully understand that if a criminal record is discovered, subject to review, my employment could be terminated. I understand that the Federal Bureau of Investigation will disclose all arrests whether the arrest resulted in a conviction or other disposition. If a previous arrest that resulted in a criminal record will be disclosed, I agree to contact a Human Resources Representative to discuss further. I also affirm that I have withheld no information that would affect my employment with the Company and understand that falsification of employment information, including information requested on this form, may result in the termination of my employment. I hereby release all persons connected with this criminal background investigation, including but not limited to the Company from any liability or damages for using or furnishing this information.

ADDITIONAL INFORMATION

It is a requirement that a fidelity bond cover all employees. Unless your background is acceptable to a fidelity bonding company (not affected by race, color, religion, gender, national origin, age, disability, veteran status, or status within any protected group), it will be difficult to secure this bond and the Company may be unable to continue your employment. The following questions must be answered in determining suitability for hire. A dishonest answer to either of the two questions will lead to immediate dismissal. A "Yes" answer may necessitate further inquiry.
